Dedicated to the utmost exploration of the human experience, **Anael & Bradfield** produce timeless recordings that pursue truth through art and the purity of intuitive expression. Their uplifting, spiritually inspired music and poetry is a unique celebration of both the majesty of being and the divine Source. Spanning the past 15 years, this special collection of **Anael & Bradfield's** music features selected tracks from their catalog of over 20 albums released through the Canadian independent **APIS Music** label. It is a beautiful sampling of their distinctive body of work.
